

Wine of Kings, King of Wines

Discover the poetry, the aromas and the finesse of Chateau Gruaud Larose

“This saying was used to crown the growing reputation of **Gruaud Larose in 1812**. Today its reputation is intact because the excellence of the wine has traversed time and fashion. In effect, if one word were to characterise this Grand Cru Classé, it is **constance**.”
B. Mollereau, 2012.

Discover the poetry, the aromas and the finesse of Château Gruaud Larose’s wines through a tasting of four great vintages.

We offer 4 different combinations to discover this diversity. **Each tasting is preceded by a complete visit** of our vineyard, cellars and facilities.

The wines are decanted and served in a private room in the Chateau.
