

# Gruaud by Trott

*An exploration ...*

Château Gruaud Larose invites you to **explore the estate** in an unusual way with electric scooters. A discovery tour of the **terroir**, **sensations** and **Médoc landscapes** are on the program for this supervised nature activity!

During the ride, our stops will make you discover the key points of our **vineyard**, its **biodiversity** and its **history**.

We will return to our **shop** for a commented **tasting of 3 wines**.
