Château Gruaud Larose Château Gruaud Larose is situated on the Saint Julien terroir just next to the village of Beychevelle, close from the “Route des Châteaux”. While the surface of the appellation is quite small it assembles the greatest concentration of “Cru Classé” (classified growth) wines in the Medoc.

The vineyard is stretching over 82 hectares of gravelly soil overlaying calcareous clay which gives a fine wine with character.

As a result, it was classified “Second Grand Cru” (top ranked growth) in 1855. Throughout the centuries, Château Gruaud Larose has managed to impose a perfect balance between nature and the consideration of man’s work in its quest for excellence.

The nose and the bouquet of Château Gruaud Larose reveal the identity of its Saint Julien origins. An intense elixir imposing its tannic and spicy richness. A superb concentration, an unusual strength in the fruit and an astonishing final profound and aromatic.

Wine of Kings, King of Wines

Tasting Excellence

"Wine of Kings, King of Wines"

This motto first took shape at the end of the 17th century with the emergence of the sweet wine from Tokay. Louis XV famously proclaimed it the **'Wine of Kings, the King of Wines.**

In 1812, Baron de Sarget embraced this maxim, further enhancing the prestige of Château Gruaud Larose.

Today, its reputation endures, as **excellence** has gracefully withstood the centuries and transcended trends.

Discover the poetry, aromas, and finesse of Château Gruaud Larose's great wines through a tasting of **five exceptional vintages** that have stood the test of time.

The tasting is preceded by a complete visit of our vineyard, cellars and facilities.
