

A grape-picker's secret

Living the birth of a vintage

Grab your pruning shears and your best smile, then dive into the heart of the Vin des Rois harvest.

Come and enjoy a truly authentic experience among the vines, alongside our team, and take part in harvesting the next vintage.

In the vineyard, right where the grapes grow, you will discover the very first steps in crafting an exceptional wine. You will experience the passion, emotion, and expertise that go into the birth of a great wine.

After the hard work comes the reward : taste the freshly picked grape bunches, enjoy their juice, and discover the fermenting must, sampled straight from the tank.

Program :

10:00 am – Welcome, introduction to the morning, transfer to the vineyard plot & safety briefing

10:30 am – Harvest begins

11:00 am – Visit of the winery facilities and tasting of the fermenting must

12:00 pm – Harvesters' lunch

IMPORTANT

If the grape harvest has not yet started on the date of your experience, an alternative activity will be offered so that you can discover the estate and its world in the best possible conditions.

If no harvesting is scheduled on the day of your visit : The experience will still take place, with the exception of the Harvesters' Experience. This part will be replaced by an immersive walk through the vineyards alongside our team. The harvesters' lunch will be replaced with a cold picnic basket.

Recommended attire : Please wear comfortable clothing suitable for outdoor activities, as well as closed-toe shoes such as trainers or walking shoes.
